Office of Legislative Counsel

Tuesday - 5 May 1959

Assistant Secretary of State for Administration, and outlined the Agency's proposal to move the Foreign Service reserve extension legislation from the Foreign Service omnibus bill to the Mutual Security bill. Mr. Scott said he personally could see no objection but would check it out with the people handling the bills and let us know.	

- 3. In connection with Spencer Beresford's request that the Agency brief the House Science and Astronautics Committee on the "lunik hoax," Dr. Scoville suggested that we complete the briefing on rockets and missiles which had not been completed on 24 February 1959 and then discuss the lunik question. After clearing with the Director's office we will make this suggestion to Beresford.
- 4. General Cabell called to alert us to the fact that he and Mr. Amory were having a session with Representative George H. Mahon (D., Tex.) this afternoon on bombers. "He did not feel it was necessary for a representative of this office to attend.
